

Allocated Donations/In-Kind Donations

If you would like to make a donation that is allocated to a particular part of our event or a non-cash donation, please email Tally Perez at tally_perez@att.net and she will assist you in the donation.

These are just some examples of the different areas of the event you may want to specifically contribute to. The dollar figure beside each item only represents a suggested cash donation. We appreciate any and all donations! Allocated and In-kind donors do not receive tickets for donations, but donations over \$150 will receive individual recognition at the event both at the location of the donation and verbal recognition during the presentation.
